March 16-18, 2012

Pilgrim Pines Camp

The Journey Begins

led by

Rev. Heather Miner

Plan to join us on the mountaintop with other young people who are beginning their journey with Jesus!

Come to know what it means to be a member of the United Church of Christ as you find your way in faith.

Learn how scripture speaks to you.

Hear God's word in prayer.

Play and sing and shout with old and new spiritual friends.

A weekend can change your life, and you, and the world!

Heather Miner, M. Div. (Yale) is an ordained minister who has served churches in a preaching, teaching, and pastoral ministry for the past 12 years. A key element of Heather's call is a heart to open up Christian scripture in ways that connect people to God. Her goal is not to tell you how to live, but to allow you to find your way, with Jesus as a guide, to a meaningful life filled with grace.

Registration Form for Churches and required Health Form available at www.pilgrimpinescamp.org.
